A BRP BRAND

Feature Highlights

Large front storage area that's easily accessible from a seated position.¹

Exclusive quick-attach system on the largest swim platform in the industry that allows for easy installation of accessories.

An industry-first manufacturer-installed, truly waterproof, Bluetooth[®] audio system.²

The Rotax[®] 1630 ACE - 230 offers instant acceleration by way of a powerful supercharger, while the new Rotax[®] 1630 ACE™ - 170 is the most powerful naturally aspirated Rotax engine ever on a Sea-Doo.

Waterproof and shockproof compartment specifically designed for phone protection.³

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.
